Prays for a re-consideration
of G.O. dy 21-11-1925 appointing Vidipi Ramacharya, father of the
minor swamy, as Parpatteyar of
the Matt.

2 The petr's representations are noted below:—

(i) He alleges that as the Parpatteyar post in question is hereditary in his family, he may be continued in the appointment.

4 On G.O. no. 2001-3/Rev Sg-2 dy 5-1-1923, the petr was appointed by Govt as Parpatteyar and report dy 6-12-1922 of the then Shimoga Dy. Comr (Mr. Legging) & the Govt order in question does not state that the post was hereditary in the family of the petr.

(ii) He alleges that the temporary injunction order issued by the Dist Court, Shimoga, does not allow Govt to alter the existing arrangement, and solicits specific orders as to whether he may have any charge of Vidipi Ramacharyaru.

14 In regard the injunction order, it is submitted that Lakshminarayanachar, another Agent has filed a civil suit on behalf of his minor son in the Shimoga District court that a temporary injunction has been issued by the court in respect of the immovable properties of the Math - It says nothing about the arrangement made and the establishment sanctioned as alleged by the petr.

15 There do not seem to be any ground for a re-consideration of the S.O. in question.

16 It is seen from the petition that S.O. dt. 21-11-1925 has not been carried into effect as yet, that the and no reasons are assigned for the delay in giving effect to the order of Govt. An explanation is perhaps due from the local authorities in the matter.

uncle in Punnaimaru was appointed as Mali Panpathegar, and it is stated that he took charge from 1-2-1926.

3) As regards the Agency of Lakshmi Narayanachar, it will be seen from No. 2001 of G.O. 1-1923 that he was appointed as Agent of the Mali properties outside the State on a pay of Rs 15/- per mensem. From the M.E's report, it is seen that the Dy. Comr. has set at naught the order of Govt and has allowed Lakshminarayanachar to deal with the Mali properties within the State on the ground that he is acquainted with the details of the property etc. The Sub Asst officer points out that "the Lands outside the State" in the order of 1923 is a mistake as the provision was to look after the affairs under the Talq and the word 'outside' may have been printed for "inside".

The Shivamma Katte mall has got inam lands in the 2 Taluks of Nagar and Tirthahalli, and no paid Agency to look after these lands was sanctioned by Govt., as the respective Taluk Amildars were expected to attend to this work. The Attavar mall which has land endowments spread all over the Mysore State, and other malls were under Govt. management and the Amildars of respective Taluks were entrusted with the collection work, lease of these lands etc., and in no case it is not usual to appoint a paid Agency for the mall Devadaya inam lands within the State. is going on in the chief court and in the Shivaganga Dist. judge's court and by the other party. There have been complaints of the misappropriation of mutt money by him and the non-submission of any accounts till now. The R.E.'s report which has been called for on the subject, has not been received as yet. The Joint Secretary has already suggested that "as pointed out in the notes, it is undesirable that Lakshmanachetti should be the Agent, at all events, till the litigation is satisfactorily terminated."

33 In the matter of the Shivaganga Mutt properties outside the State, it is submitted that fact have already intervened regarding these properties. The President of the Board of Commissioners for Hindu Religious Endowments, Madras, sent up a memo to the Shivaganga Dy. Coll. 35 The Dy Comr was wrong in appointing Lakshminarayanachar as agent for property in the State and Lakshminarayanappa for property outside the State contrary to the orders of Govt in both respects. The latter appointment has however turned out to be a convenience and may be ratified. The former is to be cancelled as there is no need for an agent. A Shekdar may be appointed as recommended to work under the Amildars of Tirthahalli and Nagara. The DC's recommendations in these respects may be appd.

The proposed scale exceeds the present scale by Rs 700 being mainly contributed by the provision made for the maintenance of certain Covenant gardens. There are no data to verify the necessity for this item.

To

C. Ranganatha Rao Saheb, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

With reference to your letter No.1616/Muz.63-25 dated the 12th June 1926, enquiring if action has been taken in accordance with the Government order No.614-15 dated the 21st November 1925 appointing Udipi Ramacharya as Parupathegar of the Sri Bhimanakette Matt, I have the honor to state that it is reported by the Deputy Commissioner of the Shimoga District that Ved. Ramacharya took charge of the Matha Parpathya from 1st February 1926 and that since then he has been looking after the duties.

2. From the detailed report of the Sub Division officer enclosed in the records it is seen that the Government order referred to above has not been given full effect to, the reason assigned being that Lakshminarayanacharya is the only man in the matha who being connected long with its affairs knows the details of property etc., well and his services were quite necessary since an equally good substitute for him could not be found immediately. In sending up the Sub Division officer's report, the Deputy Commissioner states that in the recommendation of his office contained in the letter No.O.C.75 of 22-23 dated the 6th December 1922, copy of which was sent to Government with this office No.C.52/22-23 dated 14th December 1922, it was intended that Lakshminarayanachar should look after all external affairs of the matha both inside and outside the state while Hayagrivachar should attend to the internal management of the matt and that, however, this may be, the local officers have

acted as such in the circumstances detailed in the Sub Division-- Officer's letter above referred to, there being no man other than Lakshminarayanachar who was intimately acquinted with all the --- details of property belonging to the matt, its tenants, loans due to and by the Matha. It is now proposed to dispense with his -- services and appoint a Sheikdar on Rs.40 plus 10 in place of the present agent Lakshminarainachar to look after the properties, - within the state which are stated to lie in the Tirthahalli and bordering Nagar Taluks only.

3. The list of the matt properties lying outside the state received from the Deputy Commissioner is herein enclosed. The management of these is proposed to be left in the hands of the present local agent Lakshminaranappiah who is paid Rs.10 a month and stated to be discharging his duties.

4. I request kind sanction of Government to the above proposal, since it removes the contending element.

5. The revised scale of income and expenditure proposed by the Amildar for the properties outside the State and agreed to - both by the Sub Division Officer and the Deputy Commissioner may also be kindly sanctioned.

6. The Deputy Commissioner proposes the audit of the ------ accounts of the Matha by an auditor of the Comptroller's office, the cost being met from the matt funds. The Comptroller will be ---- communicated with as regards the cost etc., and a further reference will be made in the matter.

7. Proposals originally sent up by the Deputy Commissioner for fixing a revised scale of expenditure in the matha seemed to require further consideration in view of the altered circumstances. They have therefore been sent to the Deputy Commissioner for scrutiny and the revised proposals will, as already intimated, be sanctioned as soon as they are received.

8. The appointment of a representative committee to look after the education and training of the minor Swamigalu seems to be a real necessity. The question will be worked up further and specific ---

recommendations

recommendations submitted in due course.

9. As regards the proposal of the Deputy Commissioner to ------ authorise him to permit in case of necessity the Amildar of ----- Tirthahalli Taluk to inspect the properties outside the State, am of opinion that no such general permission is necessary. Whenever there is real necessity, the Deputy Commissioner may obtain previous permission of the Muzrai Commissioner to do so.

I have the honor to be,

Sir,

Your most obedient servant,

C S Balasundaram

Muzrai Commissioner.
